Resources to help share *The Christian Science Monitor*

The Christian Science Monitor has taken a step unique in the news industry by focusing on the values behind the news—values that connect us all, including hope, cooperation, and compassion. These provide readers a deeper view of the news and highlight the solutions that unite rather than divide.

This approach is reflected by founder Mary Baker Eddy's description of the *Monitor's* purpose: "To injure no man, but to bless all mankind."

You can explore the *Monitor's* values journalism at [CSMonitor.com/Values](https://www.csmonitor.com/Values).

To help Reading Rooms share the *Monitor*, promotional materials are provided in the Reading Room Press Kit. [ChristianScience.com/rrdropbox](https://www.ChristianScience.com/rrdropbox) > English > Periodicals > Promotions > The Christian Science Monitor.

Let us know how your Reading Room is sharing the Monitor with your community by emailing us at opendoors@csps.com.
